1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of the company that is trying to raise rates. As someone that tries to keep my water consumption as low as possible, this seems to be a huge jump in the rates.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

The increase that is being requested is very high. I assume they went high and hoping to get some. Understand that cost's are rising, and water usage is probably down so they need to make up revenue and even have add't'l, but this jump is too high too fast.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
